Technical Assistance Session Feedback

“The P.E. staff better understand new P.E. standards now and how they can incorporate them into the P.E. curriculum and assessment system.” Participating teacher

“The Pump Up P.E. training program and the technical assistance and guidance my P.E. teachers received in creating and aligning their curriculum maps was invaluable! The Prairie-Hills School District 144 P.E. team started the 2016-17 school year off focused and committed to the physical health and welfare of the students we serve!” -Julia A. Veazey, Asst. Superintendent, Prairie Hills School District

The Pump Up P.E. training program was developed with funding from the Centers for Disease Control and Prevention through the Healthy HotSpot initiative led by the Cook County Department of Public Health
