

The Alliance for Health Equity is convened
by the Illinois Public Health Institute.

Systems in Sync:

Partnering to Improve Access to
Behavioral Health Services

Tuesday, October 6, 2026

9:30 AM - 4:30 PM CT

First Presbyterian Church
6400 S Kimbark Ave, Chicago, IL

Systems in Sync brings together professionals in behavioral health and related fields, including healthcare, health departments, elected offices, community organizations, and those working in areas that influence or are affected by mental health. While focused on Chicago and Suburban Cook County, the event is open to all.
